

Most people look forward to the upcoming winter break from school. Many will go on vacation, others will stay home.

If you have to work during the winter break and would like your children to keep active and have fun with their friends, join us for the upcoming Sports and Fitness Activity Week to be held at Mattacheese Middle School along with other activities throughout the day.

(please note there must be a minimum of 12 participants for this program to run)

Week Long Sports and Fitness Activities For the Winter Break

Along with our partner “Doc” Docherty, we will keep your 10-14 year olds busy with gym games and team building activities and some arts and crafts in the afternoon. Bring a lunch, snack, a beverage and add warm clothing to the backpack as we may be heading outside for some winter fun!

Monday - Friday
February 18 - 22nd
9am - 3 pm
Cost: \$75 for the week
